- M.Sc. Digitalisierung & Entrepreneurship

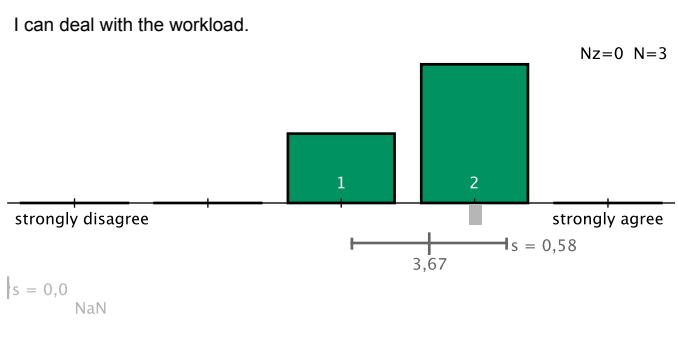

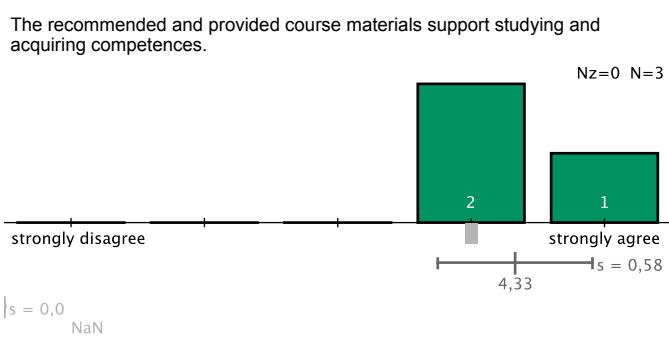

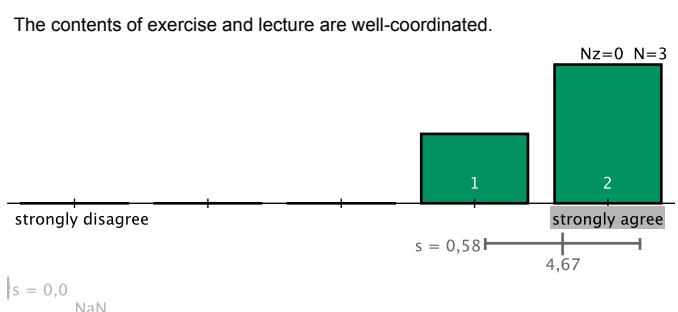

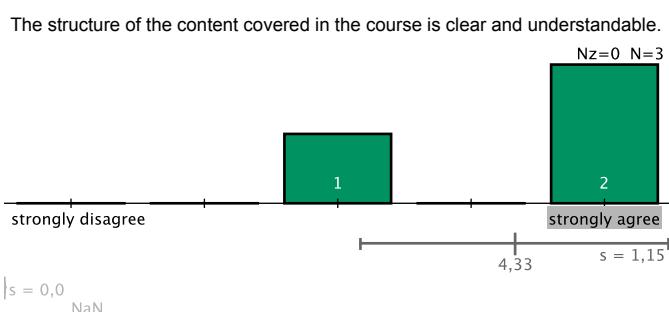

My semester of study (with respect to the previously mentioned degree programme):

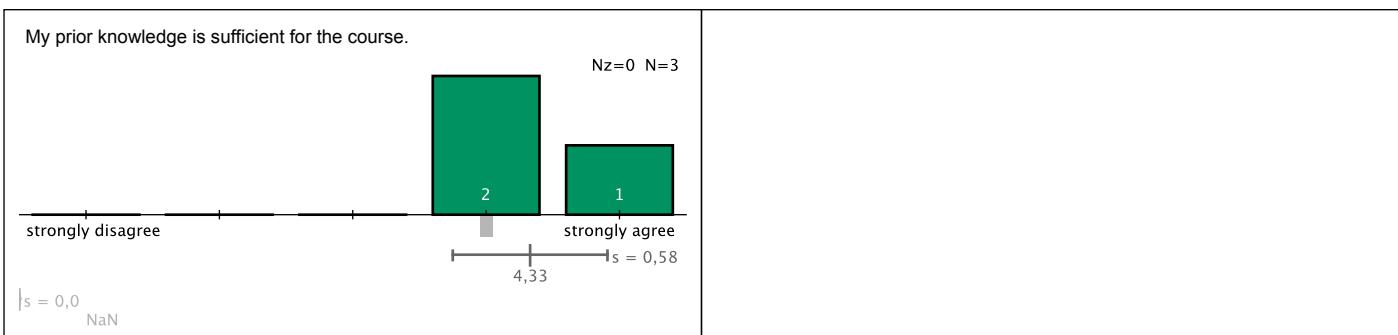

I regularly do preparation and follow-up work for the course (e.g., reading literature, discussing with fellow students).

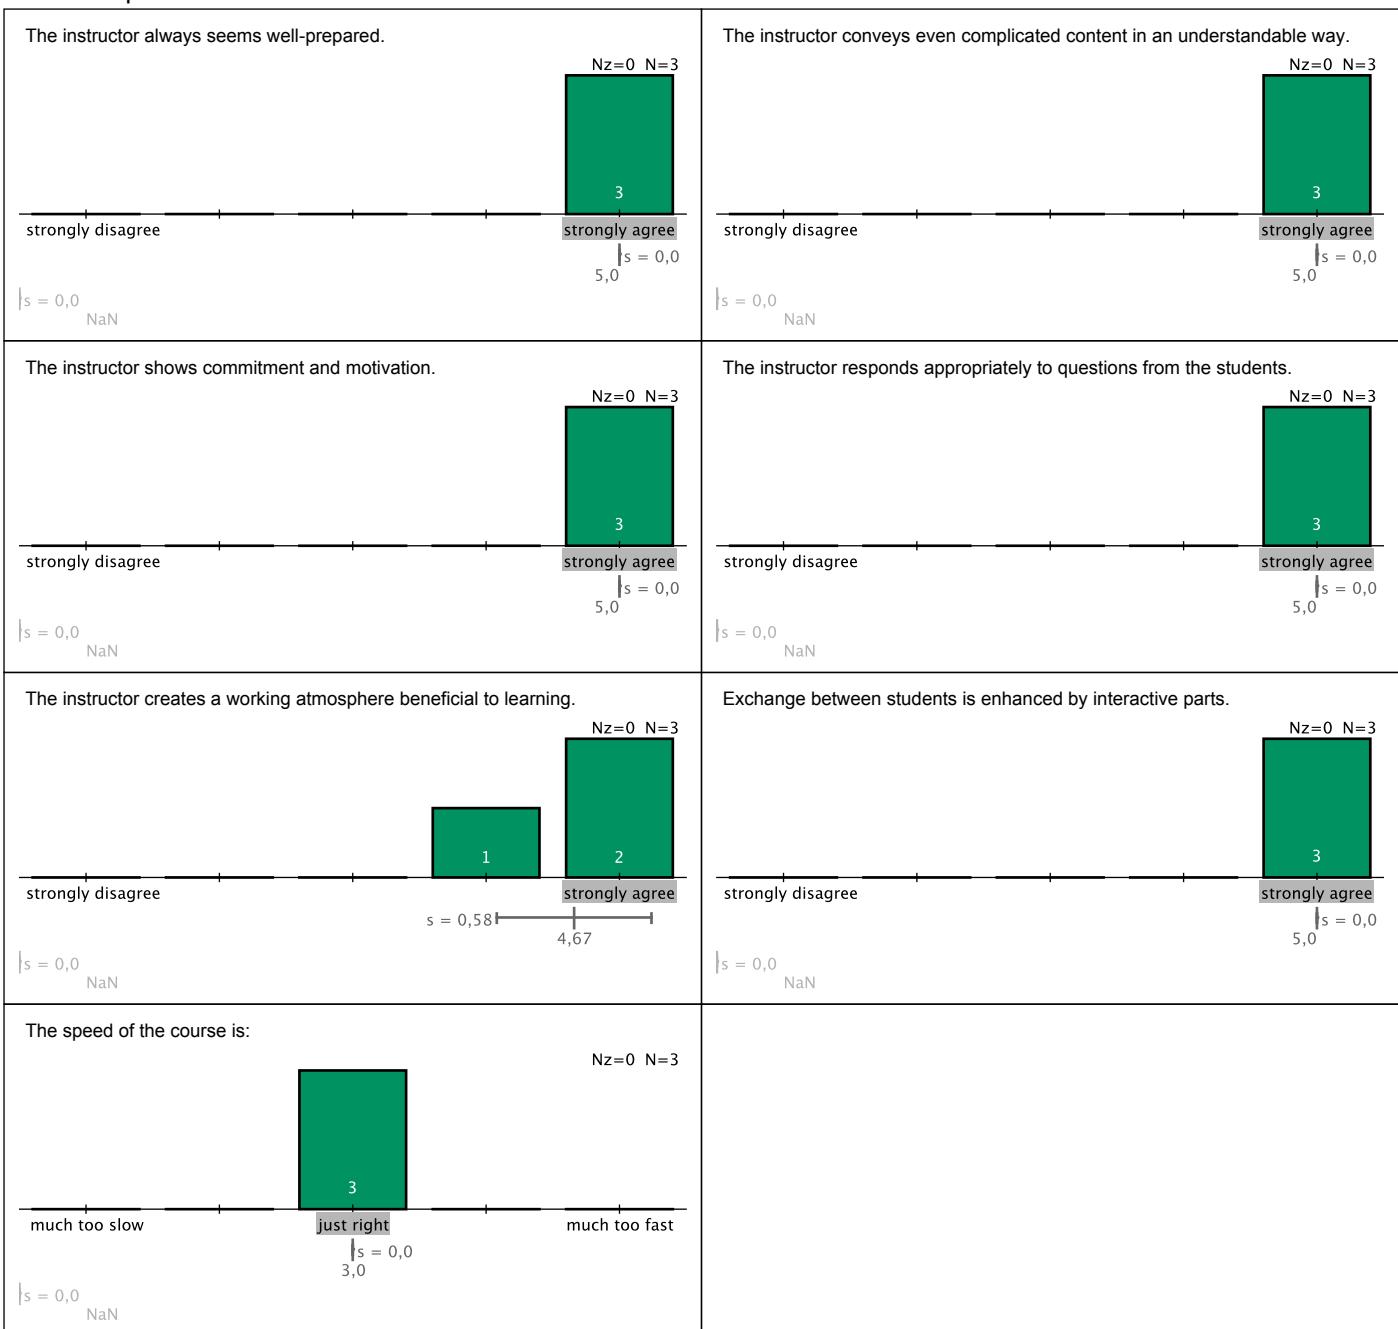

Course concept

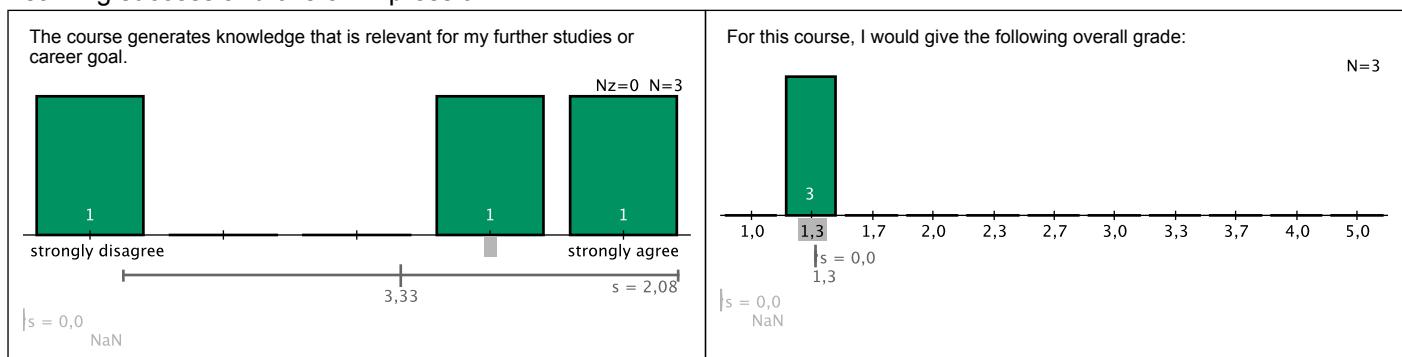

Course implementation and instructor

Learning success and overall impression

What I like about the course:

- Practical insights.
- Relevante Inhalte für alle Bereiche
Gute Aufbereitung der Folien und Inhalte
Sehr gute Worksheets zum Wiederholen der Inhalte

The following concrete improvements would help me to perform better in the course:

- It would be great if the assignments influenced the grade too.
- Lernziele am Anfang und Ende des Foliensatzes helfen es der VL und den Inhalten noch besser zu folgen
